Dear Squadron Leader Gordon,

Many thanks for your letter.

It now looks as if I should be able to find a bed for David in September if you want it, but the position remains tricky as ever over dayboy places. So what do you feel about it? I am enclosing an entry form and should be glad if you would let me have the details at your convenience.

Dear Mrs. Gordon,

I find that although we have entered David to come here as a boarder in September, 1963, we did not receive an entry form. It would be a great help if you would fill in the enclosed form and let me have it.

Yours sincerely,

  
Headmaster's Secretary.

Dear Cqn.Ldr. Gordon,

I am enclosing all the various forms for David, and we are looking forward to having him with us next term. His school number, for marking shoes, is 73.

The boarders will be returning on Thursday, September 19th. Those coming by train catch the 4.0 p.m. from Charing Cross, and a master waits under the station clock from 3.45 to meet them. If you are coming by car I suggest you arrive about 5.0 p.m. There should be plenty of other boys here by then, and it gives David time to get settled in before tea at 5.45.

If you need any other details, do please let me know.

Yours sincerely,

Dear Mr. Gordon,

Many thanks for your letter received this morning, also your telephone call yesterday morning telling us that David has been accepted for Bethany next term.

Please don't worry about the shortness of notice as far as we are concerned, as you say, we had an idea that this might happen, and I am only too delighted that Mr. Pengelly has managed to fit him in after all - I gather he is the only one they are taking for next term, so David has been fortunate.

I am sure he will be happy there - and whether he turns out to be another Mortimer Wheeler or not, we are happy to have had him with us.

Yours sincerely,

*K.M.G. P.O. 114*
